Event	**PACIFIC BEACH HALLOWEEN BAR FEST**					
Event Date	**10/31**					
Total budget	$15,000 [1]

Campaign Goal	Optimize for volume of purchases, not ROAS. At a $5 ticket price, positive ROAS isn't realistic or the goal — we're using presale as a low-friction entry point to drive attendance numbers. Judge performance on purchase count and cost per purchase, not return.
